

NOTICE TO ALL KCS UNIT OWNERS

Please be advised that the **Special Membership Meeting regarding the proposed amendments to the Condominium Documents**, originally held on August 20, 2026, was recessed and will reconvene on **Thursday, November 12, 2026, at 7:00 p.m.**

We encourage all eligible unit owners who have not yet participated to **make your voice heard** by reviewing the proposed amendments and submitting their completed voting documents before the reconvened meeting.

Attached is a recording of the Special Membership Meeting, during which the proposed amendments were explained in clear and understandable terms. The recording is intended to help unit owners better understand the proposed changes and their purpose and effect. Copies of the proposed amendments being presented to the membership for consideration are also attached. The meeting recording and proposed amendment documents will be posted on the Association's website for convenient access.

Important Information About the Voting Process:

This is not a secret-ballot or sealed-ballot election like the Association's Annual Meeting and Board of Directors election. This is a membership vote concerning proposed amendments to the Condominium Documents.

The Association will count the total number of approvals and disapprovals submitted for each proposed amendment to determine whether the required membership approval has been obtained.

Changing a Previously Submitted Vote:

If you previously submitted voting documents and would like to change your selection, you may do so before the vote is finalized. Please complete and sign the attached **Request to Change a Previously Submitted Vote** and submit it together with a newly completed voting document to the Association's office before the reconvened meeting.

Your most recently submitted valid voting document will replace your previous submission.

Your participation is important and will help the Association obtain the membership response necessary to consider the proposed amendments.

Thank you for your attention and participation.

KCS Management Office & Board of Directors
